

INTERNATIONAL COUNCIL FOR RESEARCH AND INNOVATION IN BUILDING AND CONSTRUCTION

INFORMATION

Nr. 1/02

Forthcoming Meeting

W062 – Water Supply and Drainage

28th International Symposium of Water Supply and Drainage for Buildings

18th – 20th September 2002, Iasi, Romania

Invitation

You are kindly invited to join the 28TH International Symposium of CIB W062 on Water Supply and Drainage for Buildings, which will be organized by the Technical University "Gh.Asachi" of Iasi, Romania. This conference will provide a forum where researchers, practitioners, regulators, and industry from over the world, will report and discuss - in English- progress in all fields of water supply and drainage for buildings, with however special attention for: the use of new materials, interaction between pipe material and drinking water (problem of the presence of lead, technologies for replacing lead pipes inside buildings, Legionella), software for design, water installations for disabled people, specific problems in high rise buildings.

Venue

The Symposium will be organized in the university town of Iasi, Romania, from 18 to 20 September 2002. Travel will be organized from Bucharest to Iasi on 17 September 2002.

Papers

Abstracts for this conference (maximum 300 words) must be sent by e-mail to Assoc.Prof.dr. Catalin GALATANU: cgalatan@ce.tuiasi.ro. Their deadline for submission is 1 April 2002. Acceptance by the Scientific Committee will be notified before 15 May 2002.

The deadline for the full paper submission is 15 August 2002.
