Our Partner Organisation IEA (International Energy Agency) with which we especially collaborate on energy related issues, has recently launched a web-based portal on "Building Related Implementing Agreements". The items presented on the web site are classified under the following headings:

- Programme includes Building & Community Systems, District Heating & Cooling and Demand Side Management
- Work includes Annex list, on-going projects, new initiatives, etc...
- Publications (reports, library, etc...)
- Participants (members list, contact details, etc...)
- Calendar and Meetings

Interested CIB members will find the portal at BRIA (<http://www.iea.org/impagr/bria/bria.htm>)
