W060 – Performance Concept in Building

CIB W060 Annual Meeting

13-16 June 2005, Helsinki, Finland

George Ang

Dear Colleagues,

Herewith I have the pleasure to invite you for the 2005 W060 Annual Meeting, that will be organised in conjunction with the 11th Joint CIB International Symposium "Combining Forces" in Helsinki, Finland, on June 13-16th 2005. Our annual meeting will be held at the Conference venue, most likely in the afternoon of the third day.

More information about the 11th Joint CIB International Symposium "Combining Forces" is available from the [conference website](#) or from this [CIB News article](#).

Background

The results of the activities of W060 are reflected in the quality of co-operation with other CIB commissions, due to the fact that the Performance Concept in Building covers a very broad field and a diversity of specialisations, both on product and process level, and both on demand and supply sides. W060 will therefore, as usual, be represented in many of the Symposium themes in Helsinki, and a number of W060-related experts are also expected to join this annual meeting.

May I impose on all interested persons to inform me on the following:

1. Whether or not you intend to participate in this 2005 W060 Annual Meeting?
2. What issue(s) you would like to put forward on the agenda of this annual meeting?
3. The content of the abstract(s) you may have submitted at this International Symposium (specify under which Theme)?

Below follows a proposal for the agenda of the 2005 W060 Annual Meeting (approx. 2,5 hours):

Agenda

1. 10 min Opening and welcome, enquiries
2. 30 min Evaluation W060 activities 1997 – 2005, including actions at CIB International Symposium on Revaluing Construction "The Challenge of Change", Rotterdam, The Netherlands, 22-23rd March 2005
3. 10 min Introduction of joint co-ordinator Dr. Greg Foliente from CSIRO Australia
4. 15 min W060 after PeBBu: Presentation of progress and future actions W060 activities after PeBBu
5. 15 min Break for coffee-tea-beverages
6. 30 min Ongoing W060 projects & evaluation of W060 presentations at the 11th CIB International Symposium
7. 30 min Ongoing relations of W060 with other CIB Commissions and their follow-up
8. 10 min Conclusions, next meeting and closure

The Agenda is presented in a more detailed form in the document downloadable from [here](#).

The presentation "An International Overview of Construction Reform Initiatives " was delivered on behalf of W060, at the "2nd International Conference on Revaluing Construction" that took place on March 22-23 2005 in Rotterdam, the Netherlands. The News article on the presentation is available [here](#).

Looking forward to meet you all in Helsinki!

Meeting Venue

The W060 meeting venue will be the same as for the Symposium, at the magnificent Finlandia Hall standing near the shore of Töölönlahti Bay right in the centre of the city. It is a masterpiece by the great Finnish architect Alvar Aalto. Have a look at its web-site <http://finlandia.hel.fi/english/>.
