

INTERNATIONAL COUNCIL FOR RESEARCH AND INNOVATION IN BUILDING AND CONSTRUCTION

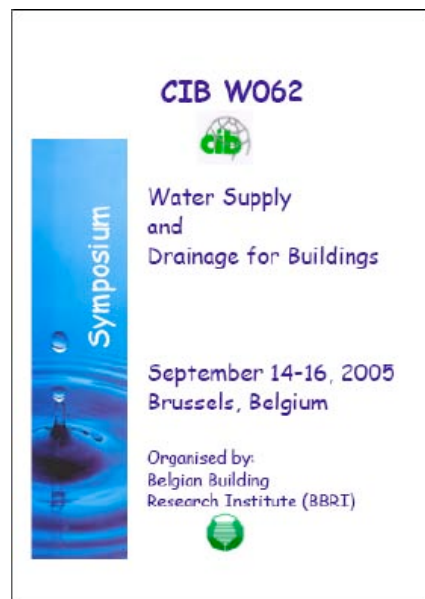

INFORMATION

July 2005

Forthcoming Meeting

W062 – Water Supply and Drainage

31st International Symposium on Water Supply and Drainage for Buildings

by

Karel de Cuyper

Introduction

The 31st International Symposium of CIB W062 will take place from 14-16 September 2005 in Brussels, Belgium.

This symposium is open to all experts, practitioners and all those who are interested in the field of water

supply and drainage for buildings and matters related to this field.

During the 6 technical sessions held on Wednesday 14th and Thursday 15th September an overview of the latest technological developments will be presented through 36 papers.

Programme

The programme contains the following sessions:

- Sustainable Construction
- Drainage Systems: Risk for Infection Spread
- Drainage Systems: Modelling
- Drainage Systems: Miscellaneous
- Water Supply
- Sanitary Hot Water

After closure of the technical sessions there will be a Plenary Meeting for CIB W062 members.
