Proceedings on Informal Settlements and Affordable Housing

CIB Publication No. 309

ISBN Number 90-6363-050-6

Editor(s)

Prof. Happy Mas Santosa and Prof J. Silas

Summary

CIB W110 on "Informal Settlements and Affordable Housing" held a conference on November 17-18 2005 in Surabaya, Indonesia. Papers were presented on the following topics:

- Sustainable livelihoods in the informal settlements, incorporating the inhabitants participation

- Stakeholders role in the transfer of technology and assistance to the community in the development of settlements' physical, social, and economic conditions
- Affordable housing for the low income families

The following Keynotes papers are also included in the Proceedings:

- Generating an improved quality of informal housing in Mamelodi, South Africa by Nele Peeters, and Amira Osman

- Positioning the traditional architecture of aboriginal Australia in a world theory of architecture, by Paul Memmott

Format

These Proceedings are available as a Report and in an Electronic version.
