Providing a global network for international exchange and cooperation in research and innovation in building and construction, in support of an improved building process and of improved performance of the built environment.

June 2006

### *Final Announcement*

**Forthcoming Meeting / CIB Co-Sponsored**

## **Adaptables 2006**

**3<sup>rd</sup> – 5<sup>th</sup> July 2006, Eindhoven, The Netherlands**

### **Introduction**

The Eindhoven University of Technology in The Netherlands organizes from 3<sup>rd</sup> - 5<sup>th</sup> of July a conference on flexibility and adaptability in construction.

### **CIB Commissions**

6 CIB Working Commissions and Task Group will meet in Eindhoven and hold their annual business meeting in conjunction with the Conference Adaptables 2006.

- TG33 – Collaborative Engineering
- TG49 – Architectural Engineering
- TG57 - Industrialisation in Construction
- W060 - Performance Concept in Building
- W096 – Architectural Management
- W104 – Open Building Implementation

The recently founded CIB Students Chapters of the Universities of Eindhoven and Delft will also organise a special meeting during the conference.

### **Conference papers**

175 Papers will be presented in parallel sessions and are published in a book of proceedings. A conference dinner is planned for the 4<sup>th</sup> of July in the DAF automobile museum.

Technical tours will be organised by CIB Commissions W104 on Open Building and W096 on Architectural Management. Also non-commission members are welcomed to join these tours. For detailed information and registration see the conference website at [www.Adaptables2006.nl](http://www.Adaptables2006.nl).
