## Proceedings of the CIB Co-sponsored International Conference on Clients Driving Innovation: Moving Ideas into Practice

### Editors

Ms. Louise Adams and Ms. Karen Guest

### Summary

These are the Proceedings of the CIB Co-sponsored Cooperative Research Centre (CRC) for Construction Innovation's Second International Conference – Clients Driving Innovation: Moving Ideas into Practice – held on Australia's Gold Coast from 12-14 March 2006.

Over 240 delegates from 11 countries presented papers on topics as: construction health and safety, facilities management, industry development, information and communication technologies improving efficiencies, meeting client needs, performance based building, procurement and risk management, scholars' stream, sustainable construction for the future.

The Proceedings feature the complete Conference program, plenary keynote papers, stream papers, presenter biographies, and information on sponsors and exhibitors.

### Format

The Proceedings are available as book of abstract and a CD-ROM.

The Conference Proceedings are also available free of charge on the CRC's Conference web site at [www.2006conference.crci.info](http://www.2006conference.crci.info).

### Order from

For the price and to order a copy of the Book of Abstracts or the Conference Proceedings on CD, please contact the organiser:
