## Proceedings of SB07 Malmö "Sustainable City Development 2007", Malmö, Sweden, September 2007

Editors: Grethe Lindhe, Per-Arne Nilsson and Daniel Nilsson

These are the Proceedings of CIB Co-sponsored Conference on Sustainable Building SB07 Malmö "Sustainable City Development 2007" held in Malmö, Sweden, September 2007.

450 participants from 48 different counties at the conference have been focussing especially on ecological and economical aspects of sustainability. At least 19 emphasised the significance of the social aspects by choosing to attend the workshop on urban integration.

Three lecturers presented initiatives on how to combat social exclusion and the most general characteristic of the many contributions to the subsequent discussion was a support for a bottom-up perspective in order to make the initiatives successful, thereby achieving a sustainable urban integration and social cohesion.

### Conference Theme

The overall theme of the conference was "Making Sustainability attractive".

### Order and Price

The proceedings are available on a CD-ROM.

To order the proceedings and to find out about the price please contact
