Do you agree that climate change and the depletion of natural resources can be the ultimate opportunity to do things right? If so, we invite you to join us in presenting solutions rather than problems at SASBE2009, 15-19 June 2009 in Delft, the Netherlands. Join us in making the built environment a pleasant place for everyone!

**Call for Papers**

We kindly request that abstracts be submitted before 30 June 2008. Abstract requirements and submission details can be found on our website: [www.sasbe2009.com](http://www.sasbe2009.com)

**Conference Themes**

- Climate change
- Policy and process
- Developing regions
- Sustainable design
- Building for transformation
- Smart technology
- Closing cycles
- Green manufacturing and construction

**Venue**

This third conference in the SASBE series will be held here in Delft. The venue of SASBE2009 is the Aula Conference Centre at the campus of Delft University of Technology (TU Delft). Hotel accommodation for
visitors can be arranged through the conference secretariat.

**Supporters of SASBE2009**

SASBE2009 is organised by the faculty of Architecture of TU Delft, under the auspices of CIB and PLEA. The conference is proud to be supported by the following people.

- Prof. Dr Jacob Fokkema - Rector Magnificus, TU Delft
- Prof. Dr Michael Braungart - co-author of Cradle to Cradle, McDonough Braungart Design Chemistry, USA, EPEA and University of Lüneburg, Germany
- Prof. Dr Wubbo J. Ockels - the first Dutch astronaut, initiator of the Nuna solar cars and four-time winner of the World Solar Challenge, Faculty of Aerospace Technology, TU Delft
- Prof. Dr Peter Barrett FRICS - President of CIB, Pro-Vice-Chancellor for Research and Graduate Studies, University of Salford
- Dr. Ken Yeang, TR Hamzah & Yeang - Kuala Lumpur / Llewelyn Davies Yeang, London
- Prof. Dr. Klaus Daniels - Emeritus Professor ETH Zürich & TU München / HL-Technik, München
- Mels Crouwel, Benthem Crouwel Architects - Dutch Chief Government Architect
