Request for Proposals for Hosting a Sustainable Building Conference

On behalf of CIB, iiSBE (the international initiative for Sustainable Built Environments) and UNEP (the UN Environment Programme) CIB Member organisations are invited to submit a proposal to host a conference in the next triennial Sustainable Building Conference Series. This can either be a Regional Conference in 2010 or the concluding Global one in 2011.

A detailed RfP - Request for Proposals - can be downloaded here.

Submissions are due on 10 September 2008. Selected proposals will be announced at the Melbourne SB08 Conference on 21-25 September 2008.
