

CIB NEWS ARTICLE

International Council for Research and Innovation
in Building and Construction

Providing a global network for international exchange and cooperation in research and innovation in building and construction, in support of an improved building process and of improved performance of the built environment.

August 2008

Forthcoming Meeting

Associated Schools of Construction (ASC) Conference 2009

**in conjunction with the Annual Meeting of W089 - Building Education and Research
Gainesville, Florida, United States, 1-4 April 2009**

The Associated Schools of Construction 45th Annual International Conference will be held in conjunction with the Annual Meeting of CIB Working Commission W089 "Building Research and Education" hosted by the Rinker School of Building Construction at the University of Florida, USA.

Call for Papers

Call for papers is now open and the deadline for full paper submission is **1st November 2008**.

Please visit the conference web site at:
<http://ascpro.ascweb.org/main.php>

Here details can be found on:

- call for papers
- conference themes
- paper publication details
- registrations and accommodation
- details of travel arrangements

The Centre for the Education in the Built Environment (CEBE) will also be hosting a reception and workshop.

A Commission meeting of W089 "Building Research and Education" will be held in association with the following CIB Task Group meetings and initiatives:

- CIB/UN initiative meeting on Capacities, Disasters and the Built Environment (by invitation only)

- CIB TG53 - Postgraduate research training in Building Construction
- CIB TG63 - Disasters and the Built Environment
- CIB student chapter annual meeting

Further details of these events will be available very soon.
