

CIB NEWS ARTICLE

International Council for Research and Innovation
in Building and Construction

Providing a global network for international exchange and cooperation in research and innovation in building and construction, in support of an improved building process and of improved performance of the built environment.

October 2008

Forthcoming Meeting

W102 - Information and Knowledge Management in Building

17-19 June 2009, Rio de Janeiro, Brazil

Introduction

The 5th CIB W102 conference will be held in Rio de Janeiro, Brazil, from 17-19 June 2009, in parallel with 4th TIC – Information Technologies applied in Building, a Brazilian conference sponsored by ANTAC www.antac.org.br, the biggest technology and scientific association in the built environment. In Brazil there are many emerging research groups that can be attracted and willing to collaborate with CIB.
