International Council for Research and Innovation
in Building and Construction

Providing a global network for international exchange and cooperation in research and innovation in building and construction, in support of an improved building process and of improved performance of the built environment.

April 2009

Forthcoming Meeting

TG57 - Industrialisation in Construction

Conference on Innovative Design and Construction Technologies

Building Complex Shapes and Beyond

6-7 May 2009, Milano, Italy

Introduction

In association with CIB Task Group TG57 on Industrialisation in Construction, Milan Politecnico University, Department BEST (Building Environment Science Technology) is organizing an International Conference entitled "Innovative design and construction technologies – Building complex shapes and beyond" at the Faculty of Architecture. The event, which will be on May, 6-7, 2009, aims to give the state of the art of innovative design and construction technologies, considering the point of view of all the operators that deal with new types of building, ranging from architect, to suppliers to clients.

IDCT09 Scientific Committee received more than 100 abstracts, coming from many different countries all over the world, and selected the most interesting in order to produce an important publication, which will be available during the two days of the conference.

IDCT09 will be the occasion to discuss about a lot of themes with a particular focus on innovation, analysing projects, tools, technologies and materials from critical and up to date point of view that could arise the opportunities for the construction sector in general.

Conference Topics

The conference topics are:

- Design, morphology and complex shapes
- Engineering and computational methods
- Digital application
- Construction industry, file2factory
- Mass customisation
- Innovation, technology transfer
- Multidisciplinary approach

Conference Venue

The Congress will be held at the Politecnico di Milano, E.N. Rogers room, Via Ampère, 1 – 20133 Milano ITALY.

Additional Information and Subscription

If you need more information about the conference programme or other specific details, please don't hesitate to visit our official website www.innovativetechnologies.polimi.it and www.idct2009.promoest.com or contact the Conference Secretariat: Promo-est s.r.l, Piazza Piemonte 2, 20142 Milano, Tel: +39 02 43912468, Fax: +39 02 48018575, Email: idct09@promoest.com

For additional information about the CIB TG57 please contact the Coordinators: Gerhard Girmscheid girmscheid@ibb.baug.ethz.ch and Frits Scheublin frits.scheublin@live.nl.
