International Council for Research and Innovation
in Building and Construction

Providing a global network for international exchange and cooperation in research and innovation in building and construction, in support of an improved building process and of improved performance of the built environment.

May 2009

Forthcoming Meeting

W102 - Information and Knowledge Management in Building

17-19 June 2009, Rio de Janeiro, Brazil

Introduction

This year CIB W102 has TIC 2009 as a parallel event; a Brazilian seminar that has been establishing itself as a reference for the discussion on IT applied to construction. Two joint sessions are planned; one as the opening session and the other dedicated to knowledge management systems in construction. The conference will take place in Rio de Janeiro, Brazil, from 17-19 June 2009.
