W110 - Informal Settlements and Affordable Housing

Editor: Happy Santosa, Winni Astuti and Dyah Widi Astuti

Proceedings of CIB W110 Conference held on 16 April 2009, in Surakarta, Indonesia. The CIB- W110 Meeting and Conference "Sustainable Slum Upgrading in Urban Area" took place in the Sebelas Maret University (UNS) in Surakarta, Central Java, Indonesia. It was also the third conference of ISAH-Indonesia.

The purpose of the conference was to stimulate networking and international exchange and cooperation in research and innovation, particularly as far as related to Informal Settlements and Affordable Housing.

Papers in the proceedings cover the following topics:

- Sustainable concept of planning, housing policy and approach for slum upgrading in urban area
- Stakeholders role in transfer of information, technology and empowerment to the community to improve lives in urban slum area
- Sustainable financing and economic development for Slum Communities in the Urban Area.

Format

The publication is electronically available for CIB Members and can be downloaded for free [here](#).

In the near future both the full proceedings and the separate papers will be free downloadable from ICONDA@CIBlibrary.
