International Council for Research and Innovation
in Building and Construction

Providing a global network for international exchange and cooperation in research and innovation in building and construction, in support of an improved building process and of improved performance of the built environment.

August 2009

Forthcoming Meeting

TG66 - Energy and the Built Environment

Brussels International Seminar 2009

14 October 2009, Brussels, Belgium

Introduction

In the context of an ambition plan of activities with a focus on intercontinental comparison of policies in support of energy efficient buildings (see separate news article [here](#)). CIB Task Group TG66 will have its first International Seminar. Contributions will be presented by the European Community (EC), the International Energy Agency (IEA), the United Nations Environment Programme Sustainable Building and Construction Initiative (UNEP-SBCI) and the World Business Council for Sustainable Development Energy Efficiency in Building (WBCSD - EEB) Project.

Detailed Seminar Program

The program for the Brussels International Seminar will include the following presentations:

- European commission – What's Europe doing regarding energy efficiency in buildings, M. Elsberger,
- Build up – The European Information Platform for energy efficiency in buildings, P. Wouters,
- EPBD Concerted Action – 27 European countries collaboration on energy efficiency, E. Maldonado,
- European Construction Technical Platform and Energy Efficient Buildings Joint Initiative, L. Bourdeau,
- What is IEA doing regarding energy efficiency in buildings, J. Laustsen,
- The contributions of UNEP-SBCI, R. Milford,
- A business oriented approach: WBCSD Energy Efficiency in Building Project, L-J Urvoas,
- Asia: the Chinese policy,
- North America: the US policy, S. Sunder,
- Latin America: the Brazilian policy, V. Agopyan,
- Africa: the South African policy, R. Milford.

Additional Information

A flyer with more detailed information on the seminar programme plus the registration form can be downloaded [here](#).
