International Council for Research and Innovation
in Building and Construction

Providing a global network for international exchange and cooperation in research and innovation in building and construction, in support of an improved building process and of improved performance of the built environment.

February 2010

From the CIB Management

Proposal for CIB Board Composition for 2010 - 2013

of the Current CIB Board

Background

According to the Constitution and By-Laws of CIB, it is the responsibility of the outgoing CIB Board (2007 - 2010) to submit a proposal for the composition of the new Board, to hold office during the Triennium 2010 - 2013. The proposal will be presented at the Triennial Meeting of the General Assembly on 12 May 2010, in Salford Quays, United Kingdom.

The Constitution and By-Laws stipulates that the proposal for the new Board should be sent to all CIB Full Members.

See the excerpt from the CIB Constitution on Nominations here ([pdf](#)).
