

## CIB NEWS ARTICLE

International Council for Research and Innovation  
in Building and Construction

Providing a global network for international exchange and cooperation in research and innovation in building and construction, in support of an improved building process and of improved performance of the built environment.

April 2010

### Forthcoming Meeting

### *First Call for Papers*

## 36th International Symposium of CIB W062 on Water Supply and Drainage for Buildings

**8-10 November 2010, Sydney, Australia**

CIB Working Commission W062 on Water Supply and Drainage for Buildings, will hold its 36th Annual Symposium in Sydney, Australia on November 8-10, 2010.

All experts, researchers, practitioners, regulators and delegates from industry from all over the world, with an interest in developments in the field of water supply and drainage for buildings, are kindly invited to take part in this symposium.

### **Symposium Objective**

The objective of the symposium is to provide a forum where participants will exchange information on:

- recent research results,
- industrial developments,
- the characteristics and performances of existing systems,
- data for design,
- codes and standards.

### **Topics**

Within the general area of concern, the topics to be discussed should preferably include the following:

- environmental considerations : sustainable construction, water conservation, use of rainwater, buffering and infiltration of rainwater,

reuse of waste water, small waste water treatment

- hydraulics of water systems in and around buildings
- health aspects related to water systems: Legionella, SARS,...
- durability (corrosion,...)
- new materials and products, solutions for renovation of piping systems (e.g. replacement of lead pipes, repair of corroded systems, refurbishment of drainage systems ...), installations for disabled and for elderly
- management and maintenance of water systems, commissioning, non destructive inspection techniques, water conditioning
- standardisation and certification of materials, systems and professionals
- software for design.

### **Call for Papers**

Authors are invited to submit an abstract (not exceeding 300 words) for consideration by the scientific committee.

All abstracts must be in English and sent as a Microsoft Word file (\*.doc), by e-mail to the Belgian Building

Research Institute, to the attention of Carine Godard  
[carine.godard@bbri.be](mailto:carine.godard@bbri.be), before April 30, 2010.

The acceptance of papers will be notified before June 15.

Deadline for abstracts **30 April 2010**  
 Notification of acceptance of papers **15 June 2010**  
 Deadline for final papers to ensure  
 inclusion in the proceedings **15 September 2010**  
 CIBW062 Symposium **8- 10 November 2010**

## Symposium Venue

Novotel Sydney on Darling Harbour  
 100 Murray Street  
 Pyrmont, NSW, 2009

Provisional fees:

	Before June 1st		From June 1st	
	AUD	EURO	AUD	EURO
CIB Member	610	400	760	500
Non Member	760	500	910	600
Students	455	300	535	350
Accompanying persons	305	200	380	250

Fees cover the published proceedings, admittance to the conference sessions, conference dinner, coffee breaks, lunches and the technical visits.

## Additional Information
