New CIB Publications

Series of Proceedings of Special Tracks of CIB Commissions held at the 18th CIB World Building Congress, May 2010, Salford, United Kingdom

During the CIB World Congress 2010 held in the Lowry, Salford Quays, United Kingdom on 10-13 May 2010, several CIB Task Groups and Working Commissions organised so-called Special Tracks. The Proceedings of these Special Tracks are now available as CIB Publications. Some commissions had a combined meeting. The Proceedings of these have been published in one Publication.

Hereafter a list is given of all the commissions that had such special track, together with the link to download the Proceedings.

In the near future the full Proceedings and the separate papers will be free downloadable from ICONDA®CIBlibrary.
