September 2011

Forthcoming Meeting

W107 - Construction in Developing Countries

International Symposium on Innovation and Sustainable Construction in Developing Countries

1-3 November 2011, Hanoi, Vietnam

Symposium Aim

The primary aim of the Symposium is to bring together an international audience of approximately 200 delegates from the fields of research, academia, corporation and government to exchange ideas on how construction through innovation and sustainable practices can enhance economic development in the developing countries.

Venue and Location

The Symposium will be held at Hotel Daewoo Hanoi, 60 Kim Ma Street, Ba Dinh District, Hanoi, Vietnam, Tel: (+84.4) 3831 5000, Fax: (+84.4) 3831 5010

Registration

The Symposium will bring together an international audience of:

- Construction educators
- Researchers in engineering, architecture, and building construction
- Managers of construction projects
- Owners of construction
- Persons interested in building construction education and its impact on research.
- Producers of construction software
- Government agencies
