

**International Council
for Research and Innovation
in Building and Construction**

October 2011

Forthcoming Meeting / CIB Co-Sponsored Event

First Announcement

CESB13 Prague - Sustainable Building Conference

26-28 June 2013, Prague, Czech Republic

SB13 Prague is part of the series of Sustainable Building Conferences that will take place in 2013 and which, together with the World SB14 Conference in 2014, is organised under the auspices of CIB, UNEP, iiSBE and FIDIC.

Updated information on all SB13 Conferences and on the World Sustainable SB14 Conference is collected in the [SB13/14 Portal](#).

Conference Scope

Sustainable Building and Refurbishment for Next Generations

Suggested Topics

Amongst the suggested topics are:

- Sustainable refurbishment of existing building stock

- Low-tech and high-tech materials and technologies for buildings
- New generation of energy optimized buildings
- Decision support tools and assessment methods
- Sustainable building in education.

Abstracts Submission

Submission guidance is available at www.cesb.cz.

There will be a two-stage review process. Extended abstracts will be included in printed proceedings, and full papers will be published in electronic form.
