

September 2011

Forthcoming Meeting

W116 - Smart and Sustainable Built Environments

First Announcement

SASBE2012 - Smart and Sustainable Built Environments

28-30 June 2012, São Paulo, Brazil

Background

SASBE2012 is the fourth edition of this global conference, being the previous editions organized in Australia (2003), China (2006) and The Netherlands (2009). At global level, organization is hosted by CIB (International Council for Research and Innovation in Building and Construction) Work Commission W116, which shares the conference name. The Brazilian edition will be held between June 28th and 30th 2012, and is collaboration between UNICAMP and UFES, chaired by Prof. Vanessa Gomes (UNICAMP, CIB, iiSBE).

Conference Themes

The conference themes include:

- Smart and sustainable buildings, infrastructure, districts, cities and the community;
- Design, development and operation of smart and healthy workplace and living environments;
- New systems, innovative technologies and high performance products responding to emerging challenges such as climate change, closed materials loops, security, alternative energy, passive design, lifecycle assessment, and integration with natural systems;

- Evaluation on the methods and techniques of smart and sustainable design, construction, and operation of new built facilities and regeneration of existing ones;
- Improvement of sustainability deliverables in projects through management processes, regulations, governance and community engagement;
- Management of knowledge on innovation and sustainability for the built environment; and
- Communication, education and training of sustainable development principles and professional skills.

Full registration

The full registration fee for this conference:
R\$ 1.725,00 USD 1.014,00 750 Euros.

Though it is so far not possible to ensure it, organizers set as target to reduce the registration as much as possible, and are doing their best to attract sponsorship enough to offer a regular, sponsored level. Final investment will be displayed [here](#) before registration is open.

A 10% discount on the full registration is offered to CIB members. Click [here](#) to register in this category
