Forthcoming Meeting

TG72 - Public Private Partnership

International Conference on PPP Body of Knowledge (P3BooK)

18-20 March 2013 in Preston, UK

Introduction

This major conference brings together a range of key influential stakeholders from industry, academia and the wider research community. It is supported by CIB TG72; EU COST Action TU1001; the Centre for Infrastructure and Construction Industry Development (University of Hong Kong); and the Centre for Sustainable Development (UCLan). This conference aims to address a number of important issues, from PPP structures, through to stakeholder management, sustainability frameworks and procurement strategies.

Conference Themes

Given the importance of PPP to many nations and because of many challenges associated with its implementation, research in PPP has continued to grow. Specific PPP related issues covered by research and related publications include: PPP Structures, Systems & Mechanisms, stakeholder management, project and corporate financing; risk and value management; market analysis, modelling and forecast; relational management, sustainability framework, project management, sustainable procurement strategies, capital structure decisions and management; statutory regulations in the PPP environment; developed and developing countries issues; transaction management, design quality, legal and contractual requirements, role of financial and insurance sectors; institutional and multilateral funding etc.

The conference main themes are:

- Decision Models/Frameworks
- Policies and Strategies
- Implementation – Needs and Issues
- PPP Markets
- Financing
- Performance
- Risk Management
- Sustainability of PPP projects
- Governance & Institutions
- Managing Change & Innovation
Conference Venue

The conference will take place at the Westleigh Conference Centre
Lea Road, Preston
Lancashire, PR4 0RB
