Forthcoming Meeting

W107 - Construction in Developing Countries

Second Announcement

World Construction Symposium 2012 - Global Challenges in Construction Industry

28-30 June 2012, in Colombo, Sri Lanka

The Ceylon Institute of Builders (CIOB) in partnership with the International Council for Research and Innovation in Building and Construction (CIB) and the University of Moratuwa are organizing the World Construction Symposium 2012, which will be held in Colombo, Sri Lanka during 28 June – 01 July 2012.

This is the first time that this prestigious Global Symposium is held in Sri Lanka particularly in the backdrop of post conflict construction industry boom in Sri Lanka. The symposium is actively supported by a number of professional bodies, state agencies and Ministries in Sri Lanka. The Singapore Institute of Building Limited (SIBL) is the International Strategic partner of the Symposium.

This Symposium is significant in the backdrop of Sri Lanka’s post-conflict reconstruction and development and also in the context of current construction industry boom. The industry is fast developing and expanding, creating greater opportunities to all its stakeholders and quite importantly to foreign stakeholders and investors as well. This year’s Symposium is focusing on the issue of Global Challenges in Construction Industry with special emphasis on “Sustainable Construction in Developing Countries”.

The symposium will bring together a large number of industry practitioners, policy makers, consultants, academics etc. and will provide an effective platform for deliberations, networking and business opportunities. The international Construction Industry Expo, which will also take place concurrently will also add greater opportunities to all participants.

Conference Venue

The conference will take place in Cinnamon Grand Colombo, Sri Lanka.
