**New CIB Publications**

**SB Conference Proceedings available for free  
for everyone from ICONDA®CIBLibrary**

**Introduction**

The ICONDA®CIBLibrary database is the online repository for CIB and CIB related publications. It holds more than 20,000 records and associated full text files of CIB related publications: monographic (conference proceedings, books, reports) as well as serial (journals).

The ICONDA®CIBLibrary is a joint initiative by the CIB General Secretariat, Rotterdam (NL) and the Fraunhofer Information Center for Planning and Building IRB, Stuttgart (DE) to promote dissemination of research results from the planning and building domain.

**SB Proceedings**

This News Article presents all SB Conference Proceedings as free downloadable from the ICONDA®CIBLibrary. This concerns in total 42 Publications that include in total over 3000 separately downloadable papers.

**How to find**

You can find the Proceedings in the ICONDACIBLibrary at <http://www.irb.fraunhofer.de/CIBlibrary>

In "advanced search", select "SB Proceedings" from the Special Series search category

- select "Conference Proceedings" from the Publication Type category and all SB Proceedings will be listed on the result page.

Publication Type  Find and list main titles: Find and list individual papers:

Conference Proceedings  Conference Paper

Book / Report  Journal Article

Above search will show all included Proceedings. You can limit this further by selecting a year of publication. You can access all individual papers of a volume simultaneously by clicking on a proceeding's title on the result page.
