

## **In Memoriam**

It is with great sorrow that we have to announce that

# Dagfinn Ås

former Coordinator and inspiration of W69  
has passed away.

This sad news reached us at the end of February  
from the present Coordinator of W69, Ivor Ambrose.

As Ivor wrote:

Dagfinn is no longer with us.  
It leaves a great hole in our midst  
and I am sure that all of us feel a great loss.

With respect and humility,  
let us carry on in the spirit of his example.
