

W096 - Architectural Management

The Main Theme of the 15th Symposium will be

DEVELOPING THE PRACTICE OF ARCHITECTURAL MANAGEMENT

It will take place on

19th and 20th March 1999

Venice Italy

Papers should be submitted as soon as possible to
Dr. M. Paul Nicholson (see address below).

Hotel Accommodation

Venice is such a popular holiday resort that hotels are rapidly booked up.
Participants are therefore advised to make their bookings before the end of January 1999.
Paul Nicholson has details of a number of hotels which are prepared to offer special prices to delegates.

Participation Fee

The cost of participating in the Symposium is £ 75,- (excluding hotels and meals).

Accompanying Persons

It is recognised that there will be people who may want to combine the Symposium with a vacation for themselves and their families.

Paul Nicholson says that it would be possible to put together an alternative programme for partners and others if there is sufficient interest.
