

W102 - Information and Knowledge Management in Building

A Message Service Opened

W102 Coordinator Colin Davidson announces:

Reference: cib-w102@cibat.qc.ca

We have just opened a message service ('listserv') at the address given above.

This is available to all members of CIB W102.

As all members of UICB are members of W102, I have created a separate listserv at uicb@cibat.qc.ca with an automatic cross reference so that UICB members registered in the UICB site automatically 'belong' to the CIB-W102 site, though the reverse is not applicable.
