International Council for Research and Innovation
in Building and Construction

Providing a global network for international exchange and cooperation in research and innovation in building and construction, in support of an improved building process and of improved performance of the built environment.

January 2005

From the CIB Management

The CIB Programme Committee has awarded the following 2005 PC Commendations for outstanding contributions to CIB

The CIB Programme Committee acknowledges the outstanding contribution to CIB by Mr. George Ang in terms of the leadership that he provided in the international research community as Coordinator of CIB Working Commission W060 on the Performance Concept in Building.

The CIB Programme Committee acknowledges the outstanding contribution to CIB by Prof. Dr. David Jaggar in terms of the leadership that he provided in the international research community as Coordinator of CIB Working Commission W092 on Procurement Systems.

The CIB Programme Committee acknowledges the outstanding contribution to CIB by Prof. Dr. Christer Sjöström and Dr. Michael Lacasse in terms of the leadership in the international research

community that they provided as Coordinators of CIB Working Commission W080 on the Prediction of Service Life of Building Materials and Components.

The CIB Programme Committee acknowledges the outstanding contribution to CIB by Prof. Colin Davidson in terms of both the leadership that he provided in the international research community as Coordinator of CIB Working Commission W102 on Information and Knowledge Management in Building and for having produced in 2005 the CIB Information and Documentation Research Agenda.

The CIB Programme Committee acknowledges the outstanding contribution to CIB by Prof. Liana Arrieta de Bustillos in terms of the leadership that she provided in the international research community as Coordinator of former CIB Task Group TG40 on Informal

Settlements that in 2005 was upgraded to Working Commission W110 on Informal Settlements and Affordable Housing.

The CIB Programme Committee acknowledges the outstanding contribution to CIB by Prof. Dr. Abdol Chini in terms of the leadership that he provided in the international research community as Coordinator of former CIB Task Group TG39 on Deconstruction that in 2005 resulted in the publication of the CIB report entitled "Deconstruction and Materials Re-use: an International Overview".

The CIB Programme Committee acknowledges the outstanding contribution to CIB by Dr. Kalle Kähkönen through his role in the organisation of the conference "Combining Forces - Advancing Facilities Management and Construction through Innovation" that took place in Helsinki, Finland in June 2005.

The CIB Programme Committee acknowledges the outstanding contribution to CIB by Dr. Jean-Luc Chevalier through his role in the organisation of the 10th International Conference on Durability of Building Materials and Components that took place in Lyon, France in April 2005.

The CIB Programme Committee acknowledges the outstanding contribution to CIB by Prof. Dr. John Smallwood and Dr. Theo Haupt through their role in the organisation of the 4th Triennial International CIB W099 Conference "Rethinking and Revitalizing Construction Safety, Health, Environment and Quality" that took place in Port Elizabeth, South Africa in May 2005.

The CIB Programme Committee acknowledges the outstanding contribution to CIB by Dr. Dean Kashiwagi through his role in the organisation of the CIB W092 conference "Construction Procurement - The Impact of Cultural Differences

and Systems on Construction Performance" that took place in Las Vegas, USA in February 2005.

The CIB Programme Committee acknowledges the outstanding contribution to CIB by Prof. Francisco Loforte Ribeiro through his role in the organisation of the CIB W102 conference "Information and Knowledge Management in a Global Economy: Challenges and Opportunities for Construction Organisations" that took place in Lisbon, Portugal in May 2005.

The CIB Programme Committee acknowledges the outstanding contribution to CIB by Prof. Dr. Shuzo Murakami through his role in the organisation of SB05 Tokyo - the very successful 3rd International Conference on Sustainable Building that was co-sponsored jointly by CIB, iiSBE and UNEP and that took place in Tokyo, Japan in September 2005.

The CIB Programme Committee acknowledges the outstanding contribution to CIB by Prof. Roger Courtney through his role in the organisation of both the CIB-PSIBouw conference "Revaluing Construction 2005" that took place in Rotterdam, The Netherlands in March 2005 and the second annual conference of ICCF - the International Construction Clients Forum that took place in Port Elizabeth, South Africa in September 2005.

The CIB Programme Committee acknowledges the outstanding contribution to CIB by Mr. Spencer Hodgson through his role in the organisation of the second annual conference of ICCF - the International Construction Clients Forum that took place in Port Elizabeth, South Africa in October 2005.
